Short Films

- Stick together / Work with people who work well with you
- People's person Director
- Meet people or Genius Director

- (12-13) - where you note

for Filmmaking  
can you

**BREAKTHROUGH** INTO FILMMAKING

## The Course

The biggest fear of any film financier is meeting someone with a great idea for a film, but who is not investible.

You might have the best film idea in the world, but unless you have the business skills to run a production, you'll never get it off the ground.

The National Youth Film Academy's Breakthrough into Filmmaking course is an intensive five day course aimed at teaching you the skills you need to ensure your film goes from concept to reality.

### WHAT YOU WILL LEARN

- How to get an Agent
- Your role as a Filmmaker in industry
- Responsibilities when working as a freelancer
- How to distribute and sell your film idea
- How to structure a business plan to secure finance for your project
- How to write a budget that will attract investment
- How to attach big named actors and crew to your project
- How to run a casting session for Actors
- How to scout and secure awesome locations

As well as allowing participants the opportunity to develop the skills they need to work professionally as a Filmmaker, the five day course offers the chance to meet and work with fellow Actors and Filmmakers looking to kickstart their careers.

You will also walk away from the Breakthrough into Filmmaking course with a National Youth Film Academy membership - which offers a host of tools and opportunities such as member events and access to our jobs hub - and those who have not already taken part will receive 25% off the price of our #SetReady course.

### WHO?

The Breakthrough into Acting course is open to all Filmmakers aged 16 - 25.

**Please note** this is not a practical filmmaking course, but a course teaching you about the business of filmmaking and how to get your project off the ground.

### WHERE?

Trinity Laban Conservatoire of Music and Dance, King Charles Court, Old Royal Naval College, London, SE10 9JF.

### WHEN?

Summer and Easter academic holidays. Full dates can be found on our website.

### COST

**Non-members:** £480

**National Youth Film Academy members:** £240

### ADDITIONAL COSTS

Accommodation is not included in the price of the course and will need to be organised by the participant. You have the option to stay in our recommended accommodation options where prices range from £25 to £40 per night.

This course requires a laptop. If you do not have one, you can rent one from us for £50 for five days.
